

# Why We Believe In Our Products!

*They Could Save Your Life!*

## Testimonials

Personal success stories are not science, but they are compelling and instructive. Listen with an open but skeptical mind.

Read the Elton Tucker air and nutrition testimonial letter.

Read the wonderful Down Syndrome story about Esther McClendon's daughter.

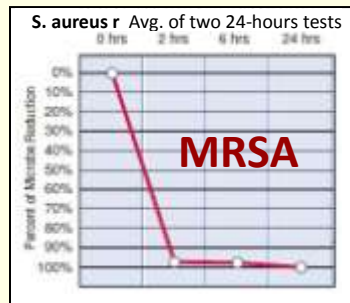

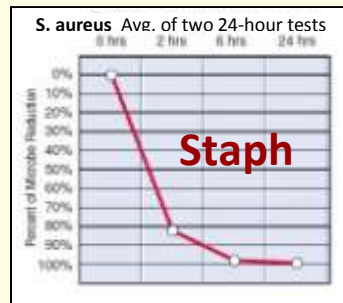

Listen to the enthusiastic talk show caller whose home was "smoked" by California fires.

Mila Giddens had 3-days of debilitating migraines with every menstrual cycle for more than 10 years. Why did she not have this problem only 2 weeks after she began drinking **Living Water**?

There are many more!

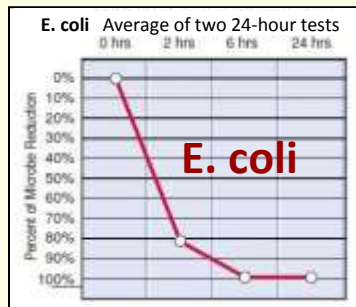

## Science

Kansas State University, with one of the America's most renowned microbiological facilities, did extensive testing to show how Vollara technologies reduce viruses, mold, bacteria, and yeasts on environmental surfaces.

### Biological Reductions (ozone at .02 ppm)

Test Organism	Layman Description	Reduction
<b>Staphylococcus aureus</b>	Staph, deadly in hospitals	<b>98.5%</b>
<b>Meth. Resistant Staph.</b>	deadly MRSA	<b>99.8%</b>
<b>Escherichia coli</b>	the famous E. coli	<b>98.1%</b>
<b>Bacillus spp</b>	food poisoning agent	<b>99.38%</b>
<b>Streptococcus spp</b>	causes strep throat	<b>96.4%</b>
<b>Pseudomonas aureuginosa</b>	infectious bacterium	<b>99.0%</b>
<b>Listeria monocytogenes</b>	virulent foodborne pathogen	<b>99.75%</b>
<b>Candida albicans</b>	yeast	<b>99.92%</b>
<b>Stachybotrys chartarum</b>	deadly black mold	<b>99.93%</b>

Many studies demonstrate the effectiveness, efficiency, and safety of Vollara's air, surface, nutrition, water, and power technologies. Every product cannot be unique, but many are. Our goal is to be "Best in Class."

## Demos/Trials

Try the alkaline water.

Learn what ORP means and how it can benefit or harm your body.

Check out the acidity of soft drinks and bottled waters (Aquafina, Dasani, Propel, etc.).

Ammonia demo shows how odors (from foods, garage, pets, cigarettes, construction, etc.) can quickly be controlled.

Living Proof demo shows how ionization technology removes smoke and other particulates, including dead skin and dust mite waste.

Taste the delicious **Re:Plenish** antioxidant drink from American-grown muscadine berries.

Use **Re:Fuel** and other nutritionals for 30-90 days.
